

Maintenance Supervisor

We are looking for an experienced Maintenance Supervisor to ensure the buildings and facilities are well maintained by successfully managing the maintenance schedule, contractors and maintenance employees.

The successful applicant will have a maintenance/trade background and display the following:

- Customer service focus with special respect for aged care
- Able to manage technical systems, and use computer software effectively
- Great with people
- Good at communicating effectively with all personalities
- Flexible and reliable approach to work
- Physically fit
- Great at solving problems and getting things done to a high standard
- Ability to function and contribute well in a team environment
- Attention to detail, high quality, with speed and accuracy
- Professional presentation and attitude
- Strong time management skills
- Ability to maintain focus while working individually

We will provide you with:

- A high variety of work, awesome team to work with and lots of autonomy and flexibility!
- An opportunity to stretch and challenge yourself in a dynamic environment
- Working with amazing people.
- Parking, Café. You don't have to work on your birthday.

Northbridge Lifecare Trust is a warm and friendly Retirement Village and Care Facility, based in Northcote, Auckland. The Care Facility comprises of a rest home, hospital and memory care centre where our aim is to provide excellence in aged care.

We are a not for profit, stand-alone organisation that allows us the freedom to invest back into Northbridge for the benefit of our people and the residents that call us home.
